*Human Eye Model  
with 3B SMART ANATOMY  
Prod. No. 1000258*

# 3B SMART ANATOMY TAKES YOUR ANATOMY EDUCATION TO THE NEXT LEVEL

Anatomy models are a highly effective tool for studying and explaining human anatomy and a great education solution for medical students, teachers and healthcare professionals alike.

3B Scientific is now offering customers an exclusive new digital feature to improve their learning experience even further.

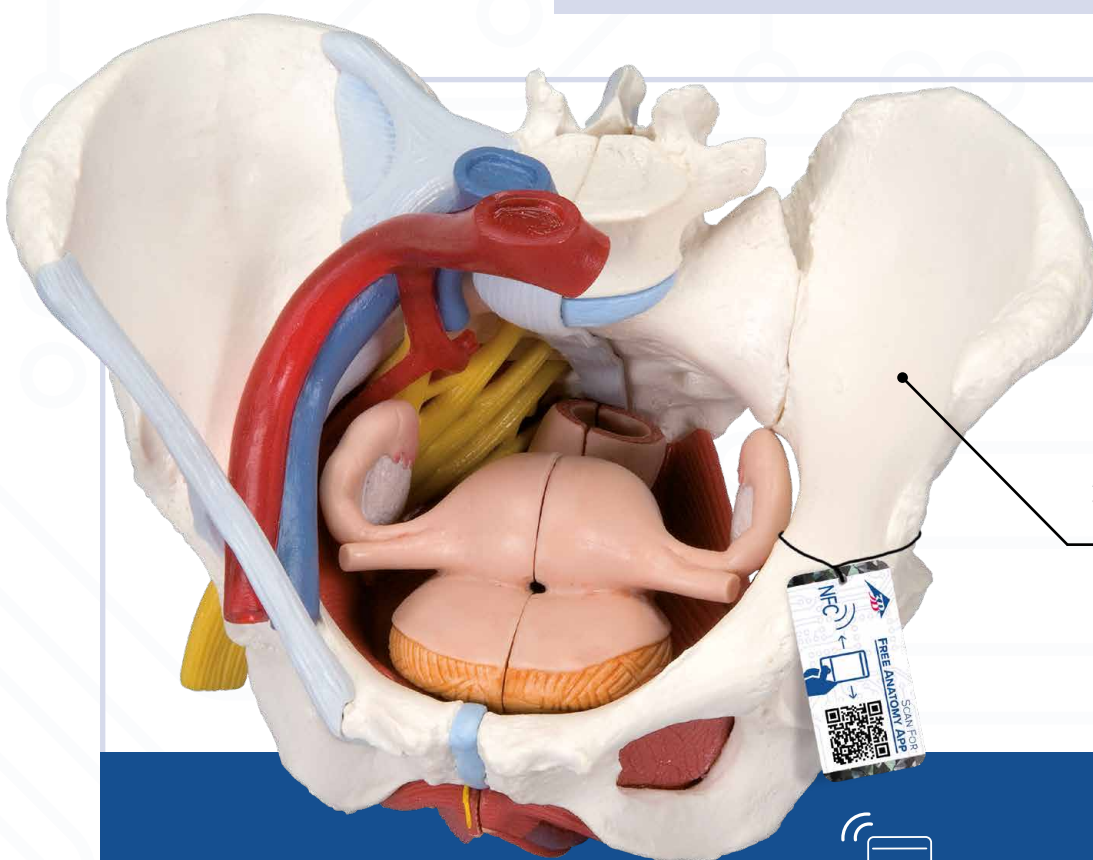

We call it **3B SMART ANATOMY**.

**3B SMART ANATOMY** combines the tactile experience of an anatomical model with incredible interactive lessons and quizzes on your smart phone, tablet or laptop with the multiple award winning Complete Anatomy App from 3D4Medical.

## Register your model to enjoy your **3B SMART ANATOMY** advantages:

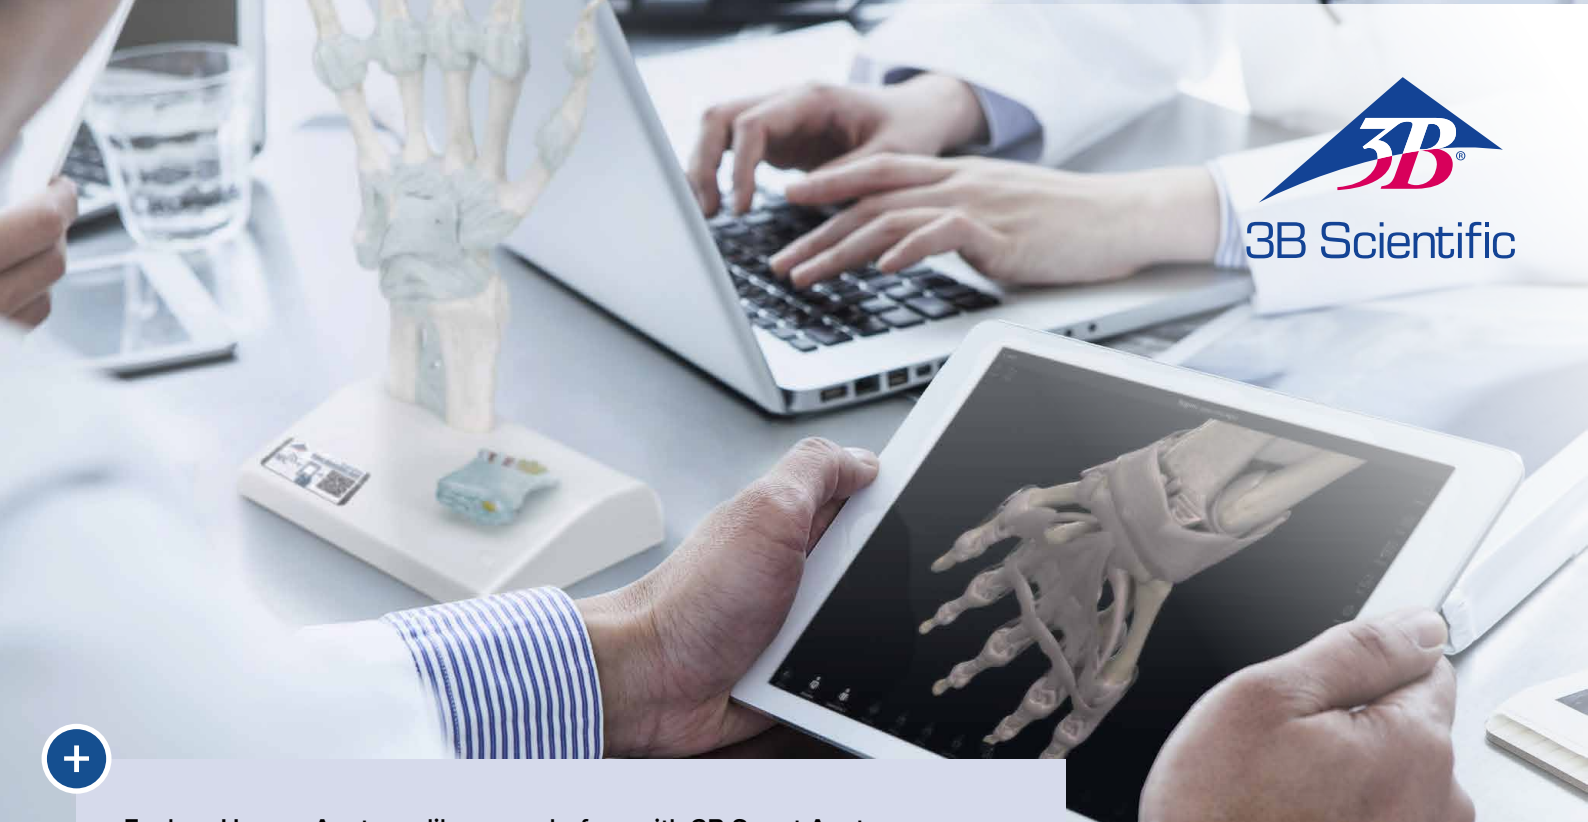

- + Free warranty upgrade from 3 to 5 years
- + Free access to 3B SMART ANATOMY through Complete Anatomy App
- + Content includes: 23 Smart Anatomy Lectures, 117 interactive virtual models and 39 quizzes
